The club finances are not very healthy at the moment. For whatever reason, renewals are slow this year. With the postal rate increase we will be cutting off the mailing list after this issue. Please send your membership renewal (\$6 single, \$8 family) to Cecelia Ellis, the treasurer.

Please come to the annual general meeting and let's us have the names of those dogs eligible for club trophies. (See last issue)

NOW THAT WAS A BOOSTER !!!!

The sky was blue (some of the time), the temperature was nice, and there were Cardigans everywhere, I mean everywhere !

The entry in our booster was 38 - 14 males, 12 females and 12 specials. The largest entry ever, the strongest classes we have ever seen, more Canadian based Cardigans than ever before, and, of course, the largest breed in the show.

Sue Bain cleaned up ! She handled the Best of Breed, Best of Opposite-Best of Winners-Winners Bitch, and the Winners Dog.

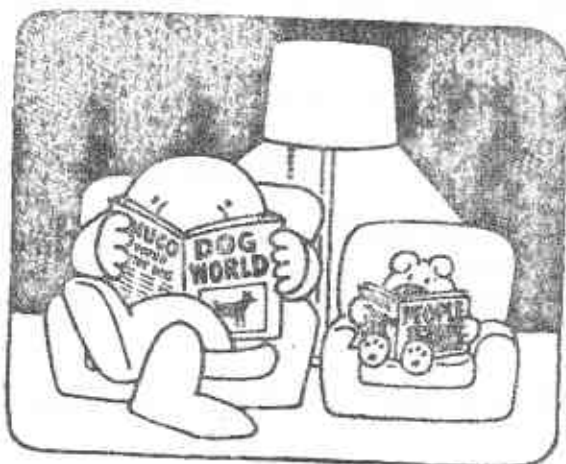

Which dogs won? The full summary is on the next pages. However, the tops were:

- BEST OF BREED: CH. BAWYNI'S STAR GAZER, owned by Lorraine Carwardine, bred by Wayne Pitrie and Barbara Hoffman, Handled by Sue Bain
- BEST OF OPPOSITE SEX: CH.* DORRE DON TRAILWYN PANDORA, owned by Jean Clifford and Helen Cramer, bred by Mrs. P. Bateo, handled by Sue Bain
- BEST OF WINNERS
WINNERS BITCH
- WINNERS DOG: TRAILWYN'S MEDECINE MAN owned by Dorothy Shaw and Jean Clifford, bred by Jean Clifford and Helen Cramer, handled by Sue Bain
- BEST PUPPY: MAX owned by P. Moore, bred by E. Vacheresse handled by the owner
- HIGHEST QUALIFYING SCORE IN OBEDIENCE: FINNSHAVN'S MYRYDD AB PENCADER, owned and handled by Chris Edwards, bred by Charlie MacInnes

The trophies, ceramics by Lorraine Carwardine, and Cardigan tote bags by Chris Edwards, were impressive, and much appreciated by the winners.

Judge Stan Whitmore commented that he had never seen so many quality Cardigans in one ring. That was indeed so. The open dog class was especially impressive. The largest class ever seen in a Canadian ring, and the top five dogs could all have won it. In fact, first place and winners dog went to a different dog on each day of the weekend.

The downer was that despite the good showing, our breed winner didn't even get pulled in the group. Also, some very promising obedience scores were blown by one exercise.

• Nabs Aces - background
of Bill, Sam,
etc.

• Rhydowen - Pat Sandi - Phil's.

• Aragorn K. - Gladstones - Penn.

After the show there were a lot of good times. An group of us went off to the Chicken Chalet for supper. It was a fun party, because, among other things, everyone mixed up at the table, so we got to know new faces.

At the show site I had interesting conversations with the Boissoneaults and the Goddings. Out of this came the suggestion that we try to improve on the drawing at the head of the breed listing in the Dogs Annual. You will be pleased to hear that something has been done, at no cost to the Club.

FLASH - THE WESTERN BOOSTER HAS AN ENTRY OF 18 !

That's right, eighteen, out in the country where there are no Cardigans. That will be an interesting show, because the western show crowd, from other breeds, have already promised to come and watch, because they want to see what good Cardigans are.

AN INTERESTING LITTER

Philip Jones has a litter: Sire - Rhiwelli Croiso
Dam - Rhiwelli Marie-Anne

Philip bought both of these dogs in Wales, they come from a distinguished line, with such notable dogs as Eng. Ch. Pantyblaidd Pip and Am. & Eng. Ch. Winsdown Blue Disk of Robgwen.

Four pups were born 11 June 1985. Two Tri-br males, one Brindle male, one Tri-br female.

Hey Phil, how about bringing the parents out to a few shows. They should be winners.

A LEGEND IS GONE

On 11 July a grand old dog passed on. He was Can. Ch. Brymore's Tax Refund Am. C.D. Taxi was the sire of many distinguished dogs, Few dogs in the Niagara Frontier and southern Ontario do not have Taxi in their background. Taxi is remembered by his friends as one of the great frisbee chasers in the breed, a friendly hail-fellow-well met who never forgot a face he had licked. He owned and cherished Jean Clifford, and could not stand being left on the other side of the show grounds.

I shall always regret that Taxi never finished his American Championship. When he was in his prime, majors were unheard of in upstate New York, and Jean was unable to travel long distances. We put together an entry to try to finish the old man when he was nearly ten, and the major broke when I had an outbreak of parvovirus and had to stay home with two young males.

Taxi was almost fifteen when he died. He survived a bout with heartworm, and more recently serious heart trouble. I visited the Cliffords on the weekend of 6 July. The old dog gave me his customary lick and wag of the tail, and checked out the bitches I had brought, even though he was mostly blind and deaf, and not steady on his feet.

Taxi was the end of an era, one of the last of the old Brymore breeding.
